

dear FCC,

Air 1 is a big part of my life. As a teenager, the pressure of listening to rap/hip hop comes around alot. However, I do not like that kind of music. I enjoy listening to Christian rock. My vehicle doesn't have a CD player so basically, I rely on the radio to listen to all my music. Christian Rock puts me in a calm mood as I drive to school and really gets me going in the morning. If Air 1 was gone, I think that the whole church community in Southern Nevada would be very upset because Air 1 is such a great station and all. I mean, we do have other christian stations, but nothing compares to Air 1 christian rock. Please take this comment into concideration and do the right thing and let Air 1 stay on the radio.

A concerned listener,

Josh Stone
